A screenshot of a quiz interface. A speech bubble icon with a question mark is on the left. The main text asks, "¿Qué tipo de cable eliges?". Two options are listed: "Latiguillos RJ-45" and "Cables de consola". Each option has a right-pointing arrow icon to its right.

A screenshot of a quiz result screen. At the top, it says "Tu puntuación: 0 / 80". In the center, there's a message: "¡No lo has conseguido!". Below that, a note states: "Los cables de consola se utilizan para configurar routers o switches empresariales. Intenta hacerlo de nuevo." At the bottom is a green button labeled "C Reiniciar la práctica".
